Good timber does not grow with ease;
The stronger wind, the tougher trees.
The farther sky, the greater length;
The more the storm, the more the strength;
By sun and cold, by rain and snows,
In tree or man good timber grows.
Oh! many winds and much of strife--
This is the common law for life.

We, the members of the Arrow staff, wish to dedicate the 1961 edition of the Arrow to Mr. J. C. Alexander, who exemplified the ideals of the teaching profession. And through the contents of this book we would like to express our special appreciation to the other hard working faculty who have advanced our school scholastically, athletically, and socially.

We wish to give special recognition to Mr. Henry Norquist to repay him for his co-operation with us, the staff, and his sincere desire to help youth.

MR. ALEXANDER'S MESSAGE

In recent years more and more stress has been placed on high academic achievement. This is very important especially for those pupils who are expecting to go to college. I seems to me that too little stress has been placed on character. Without character, all other achievements are of little importance. One of the fine things about character is that every person can develop the habits of honesty, truthfulness, and morality. With these, life will be worth while. Without these, life will be a failure no matter what your other accomplishments may be. Let us put first things first.

Chosen by the student body, the Arrow staff is charged with the responsibility of producing a pictorial history of the school year. In planning this book we tried to pick events which were outstanding and helped preserve memories through picture and copy. We, the Arrow staff, hope that in years to come as you leaf through the pages of this book, you might recall the details that have been hidden by the fog of time.

A R R O W

The WAR WHOOP had its beginning back in 1917 when a high school news column called THE SQUEELER was initiated in the PIONEER. In October 1918 the name of the column was changed to THE BANNER. The first mimeographed WAR WHOOP was published December 23, 1932 as a bi-weekly. The first letter press paper appeared as a senior edition in the spring of 1958 and in the fall of 1958 bi-weekly production of the present WAR WHOOP was begun.

The purpose of the Spanish Club is to promote the use of the Spanish language and to acquaint its members with the habits, customs, and dress of the Spanish-speaking nations. To join the club, one must be in Spanish Class I or II. Miss Jones, the Spanish teacher, is the adviser. During the school year, the club held a Spanish party at the home of the adviser, and a dinner was enjoyed at a Mexican restaurant in Portland. Each member had his choice of various Mexican dishes.

Service Club's main objective is to give service to the school. During the football season they sell and take tickets at the gate and keep the concession stand stocked with pop and candy bars for clubs that have selling franchises.

During the basketball season they stock the concession booth and run the popcorn machine. This year they bought a new pop machine for school use. School gifts in past years have included a television set, trophy case, hot dog warmer, popcorn machine and a coffee maker.

GAA's (Girls' Athletic Association) purpose is to promote sportsmanship and good health activities for the girls of our school. To give the members something to work toward, different awards and letters are awarded to girls with a certain number of points. These points are earned by participation in various sports such as: ten points earned for 75 miles of horseback-riding. Other sports participated in range from swimming and hiking to bowling and archery

Major activities of GAA include play days with other neighboring schools (club members are invited to another school to play volleyball and softball) intra-mural sports (including basketball and volleyball) and the annual sno-ball dance, co-sponsored by FHA.

Each year, nominees for two state offices in State GAA are sent to the State GAA Convention

The GAA adviser for this year is Miss Nadine Fallis, Girls' P.E. instructor

The Indian Maidens' League is an organization for all girls. Its purpose is to promote comradeship and to further the all-around development of all girls.

The organization sponsors a Korean orphan, Kim Lee Kwang. It also attempts to single out outstanding girls for recognition by naming a Girl of the Month and a Girl of the Year. Last year it initiated the Karen Austin Memorial Award

The organization also sponsors a Christmas poster contest, and promoted the Christmas hall decorations in which the classes participated.

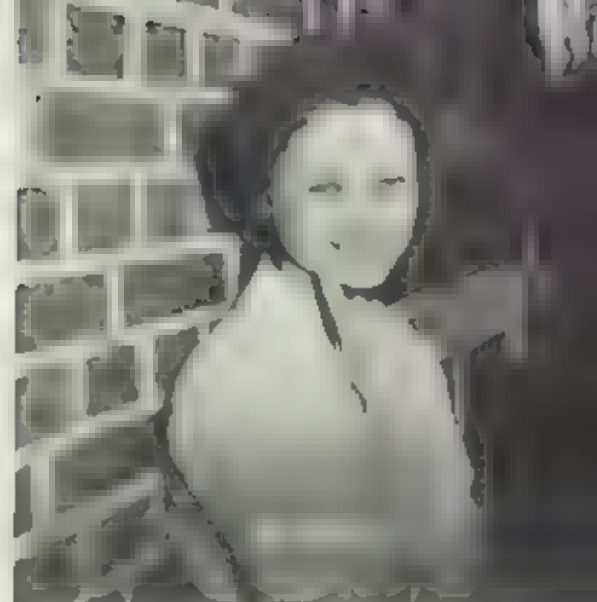

The Indian Maiden League participated in District and State meetings. This year we had a district officer, Barbara Marquam, District Vice-President.

The Indian Maidens' League is one of the sponsoring organizations of the foreign exchange student program and continues contact with these students

SENIOR PROJECTS

Dennis Wood, 1960-61 National FFA Public Speaking winner; Oregon State Association President; his parents, Mr. and Mrs. Harold Wood, state and chapter honorary members.

David Asboe, runner up star farmer, Gary Oster, chapter star farmer.

Mike Marshall, chapter public speaking winner, second in district, third in sectional.

Five greenhands, Win Muftet, Bill Elias, Tom Sawtell, Tom Wrolstad, Wesley Renzema giving the FFA creed.

Reports, Bob Young, initiating new members to the greenhand degree.

National Public Speaking winner, State FFA President, National FFA Convention, State Champions Dairy Cattle Exhibitor, County Fair, State Fair, Spring Dairy Show, Spring Fat Lamb Show, Parent-Son Banquet, FFA Amateur Show, State FFA Convention, scrap iron drives, light bulb and Christmas card sales, sheep, dairy, beef and swine chains--these and many other honors, awards, and events mark another successful and active year in FFA work by members of the Molalla Chapter.

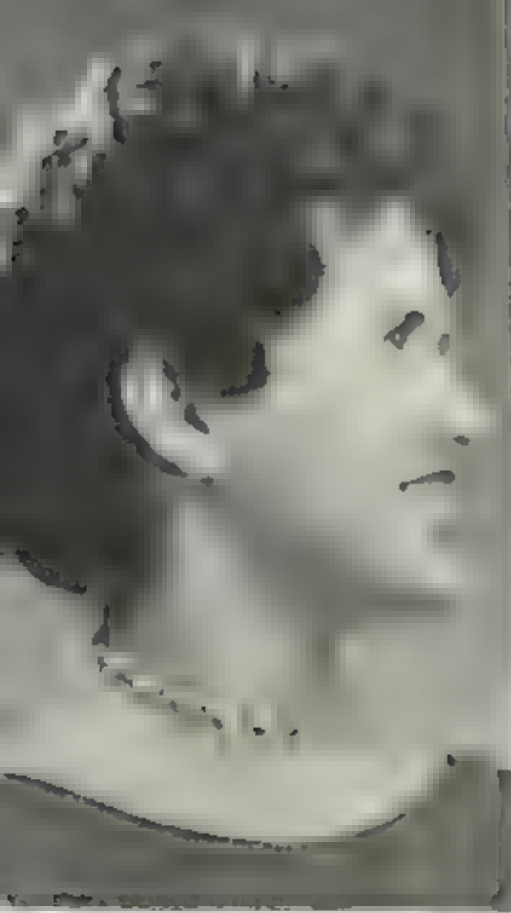

In supervised farming, 89 members, collectively had a total investment of \$118,527.60 and received net profits of \$31,901.50. Enterprises included all classes of livestock and types of crops commonly found and grown in this community.

In the shop phase, the members in the junior class turned out several thousand dollars worth of manufactured articles: Bale elevators, loading chutes, trailers, feeders, waterers and many other items.

As a result of their work two of our senior members, Gary Oster and Dave Asboe received the state farmer degree.

The five project award winners. Mike Kirkpatrick, star dairy farmer; Ronald Swartout, best beef project; Larry Ferguson, best sheep project; Leonard Misso, runner up dairy farmer, Larry Lucht, best crops project.

JIMMIE DETERS

GRADUATES 1961

The desire for knowledge would be considered the chief factor that has earned Jimmie Deters three years of high school. Despite his handicap, he has maintained about a 3.7 grade point average and has been consistently on the honor roll. The senior class has throughout the four years of school, given him Christmas parties and birthday parties where 20 or 25 students have gone to his home for the afternoon.

Jimmie contracted muscular dystrophy while in grade school and has taken his entire high school work at home in a wheelchair or on his back. Jimmie is certainly an example of hard work, enthusiasm, and courageous abilities from which all students could set their goals.
